

HUNTING IN SPAIN

SEASON 2021/22

SBG SPAIN & WORLDWIDE HUNTS is a team of professionals, passionate and experienced hunters. We have a long career in the world of hunting by family tradition as later career mode. We are able to offer our customers the best areas of hunting in Spain in the different modalities, on private areas and in the various game reserves of our country. For us, hunt is a way of life.

We offer an exclusive service to our customers with all kinds of amenities. The customer only has to think about enjoy hunting, not just in terms of trophies and hunting areas are concerned, but also to the entire service around the hunting, making the whole a unique and unforgettable experience.

Within this framework we also offer reasonable prices and very competitive.

You should know that one of the many special features of the Spanish hunting, is the opportunity to participate in the Monteria, which is one of the oldest type of hunting. Always respecting the traditions and rules of hunting, MONTERIA is the essence of the Spanish hunting.

Rafael de los Reyes, is the founder of the company. Has an experience of more than 25 years in the organization of Montería. Starting at the age of 20, he knows all the secrets of the traditional method of Spanish hunting. We look forward to receive and organize for you a hunt to your measure.

Pedro de los Reyes, is CEO of the Company and son of Rafael. Starting very young in the hunting and outdoors world, now he is a very knowledgeable hunter and guide in all the spanish methods. Moreover, he is SCI member and official measurer.

SPANISH IBEX HUNTING

BECEITE IBEX

In the Maestrazgo mountains.

HUNTING SEASON

From November to May. The best is the rutting (from November to January) and spring season (from March to May).

GEOGRAPHIC RANGE

East Spanish mountains, (Puertos de Torosa-Beceite National Park and the Maestrazgo), near the sea, where the weather is very mild, although this does not prevent it from forming a rough and rugged landscape, where the hunter can enjoy the hunt in its best.

The hunting area is at least 3 hours from Barcelona airport, 4 hours from Madrid airport and 2 hours from Valencia airport.

The Hunting Method is always by stalking.

LODGEMENT

Spain is one of the best destinations for a hunting trip, not only for his sceneries and hunting areas, but because it is provided with a history and tradition that makes it a unique place. This southern European country has all the ingredients to make your stay unforgettable.

It has a pleasant climate all year round, typically Spanish traditions and we must not forget its gastronomy, which has superb quality products with designation of origin. It is one of the biggest attractions of this country, and Spanish food one of the best in the world for its quality and variety.

The Spanish spelling makes it possible for our country to have very different landscapes. Therefore, the hunting tourism is also one of the main attractions of Spain.

We will provide our customers all kinds of services to make your trip perfect. The stay is very important during the days of hunting, so, we are going to offer accommodation with all kinds of amenities and services. Depending on the area where we are, we will offer hotels, cottages, etc.

We want to offer our customers a real experience, and with us, you will try out the true gastronomic and hunting tradition of this country.
